How to Buy a Home in the United States

Unit 2: Lesson 1: Deciding what you want

Writing

First, think about your home here and in your native country. Make a list of how these homes are different and how they are the same. Use the following questions to help you compare the two. Then, write a paragraph comparing your home here with the one in your native country.

- Where did you live? Where do you live now?
- What was your home like in your native country? What is your home like now?
- What did you like more or less about your home in your native country? What do you like better or less about your home here?
