

## VOTING VIDEOS ORDER FORM

Announcing two videos to engage new voters and less likely voters with the democratic process:

- **Why Vote?** (in English)
- **¿Por Qué Votar?** (in Spanish)

The community talks about why they do and don't vote in these broadcast quality videos. Each video features personal stories plus the essential facts about how to register and how to vote. *¿Por Qué Votar?* also addresses the topic of citizenship.

Filed by the award-winning documentary team of Vicente Franco and Gail Dolgin (Oscar-nominated and Sundance winners for *Daughter from Danang*).

-  **Audience** Californians — especially communities who tend to have lower than average voter turnout: such as new citizens, 18-30 year olds and less educated adults.
-  **Length** 15 minutes, designed for a variety of settings — at home, as part of community group or classroom programs, and for broadcast on local television stations.
-  **Availability** Why Vote? and *¿Por Qué Votar?* may be available through your public library. Copies may be purchased for \$19.95 (which includes shipping and handling for standard delivery; rush delivery will be extra).
